# CFA Project #3

A Stock System for Chambers Cellars @ Tramsheds

---

Who

# Why

Chambers Cellars need a  
Stock Management  
System

---

# How

Was this done

Let's have a look at some of the  
Artifacts

---

# What

This will be a very quick demo!!

Let's Take a look at the APP

---

# The Journey

- Talked to the Customer and establish requirements
- Agree project with Jamie
- Had difficulty maintaining communication with the Project Sponsor

# Reflection

Things that could be done differently:-

Get better customer engagement

Use React for the front end.

---

---

# Thanks
